

Finding the right project

A view into Job Search on Upwork

The Basics - what stays the same?

On both Upwork AND Elance:

- Freelancers can set up a Job Feed, so they never miss a job opportunity
- Filters let freelancers refine their job search criteria
- New job posts are highlighted and sent to freelancers daily

The basics of finding the right project

Go to the Find Work tab, and select Find Jobs

Type a basic keyword search in the box, or click the Advanced Search link for more options

On the Search Results page, use the filters on the left to further narrow your results

The screenshot displays the Upwork website interface. At the top, the navigation bar includes 'Upwork formerly oDesk', 'FIND WORK', 'MY JOBS', 'REPORTS', and 'MESSAGES'. A search bar with a magnifying glass icon and a user profile for 'Lillian Travis' are on the right. Below the navigation, a secondary bar shows 'Find Jobs', 'Saved Jobs', 'Job Applications', 'Profile', 'My Stats', and 'Tests'. The main content area is titled 'Find Work' and features a search box with the text 'Search for Jobs' and a green 'Search' button. Below the search box is a link for 'Advanced Search'. The page is divided into three main sections: 'My Job Feed', 'Recent Searches', and 'My Categories'. The 'My Job Feed' section lists three job opportunities: 'Job description for a senior business development manager', 'HUMAN RESOURCE MANAGER - HR - UK CONTRACT', and 'CV writing + LinkedIn profile review and update'. Each listing includes details such as 'Hourly' or 'Contract' type, pay level (e.g., '\$\$', '\$'), estimated time, and a brief description. The 'Recent Searches' section shows terms like 'IOS', 'Customer support', 'ios', and 'ois'. The 'My Categories' section lists various job categories such as 'Management Consulting', 'Resumes & Cover Letters', 'Project Management', 'Data Entry', 'Personal / Virtual Assistant', 'Customer Service', 'Other - Customer Service', and 'Other - Admin Support'. On the right side, there is a 'My Profile' section with a profile picture, a progress bar at 85%, and a 'Job Applications' section showing '0 sent applications' and '60 available Connects'. At the bottom right, there are links for 'Download Time Tracker', 'Browse Freelancers', and 'Hiring Hub'.

The image shows a screenshot of the Upwork website. At the top, the Upwork logo is on the left, and navigation links for 'FIND WORK', 'MY JOBS', 'REPORTS', and 'MESSAGES' are in the center. On the right, there is a search icon, a help icon, a notification bell, and a user profile for 'Lillian Travis'. Below the navigation bar, there are links for 'Find Jobs', 'Saved Jobs', 'Job Applications', 'Profile', 'My Stats', and 'Tests'. The main content area is titled 'Find Work' and features a search bar with the text 'Search for Jobs'. Below the search bar, there is a link for 'Advanced Search'. To the left of the main content, there are sections for 'My Job Feed', 'Recent Searches', and 'My Categories'. The 'My Job Feed' section shows two job listings. The first listing is for a 'HUMAN RESOURCE MANAGER - HR - UK CONTRACT' job, which is highlighted with a green border. The second listing is for 'CV writing + LinkedIn profile review and update'. To the right of the job listings, there is a 'My Profile' section showing a user's profile picture, a progress bar at 85%, and a 'View my profile' link. Below the profile section, there is a 'Job Applications' section showing '0 sent applications' and '60 available Connects'. An 'Advanced search' modal is open on the right side of the screen, with a green border. The modal has a title 'Advanced search' and a close button. It contains several search filters: 'All of these words' (with a text input field), 'Any of these words' (with a text input field), 'The exact phrase' (with a text input field), 'Exclude these words' (with a text input field), 'Title Search' (with a text input field), and 'Skills Search' (with a text input field). At the bottom of the modal, there are 'Search' and 'Cancel' buttons. A green arrow points from the 'Advanced Search' link in the job listing to the 'Advanced search' modal.
